

FEBRUARY CHALLENGE

Cat-Friendly Locations

This month is all about getting out in your area and finding cat-friendly places to visit! Not only will you and your cat have fun together, you'll get to know your city even better by possibly discovering new businesses, parks, etc.

Log your locations and post about each visit in the Trailblazers Community. Push yourself to visit as many places as possible! A special badge will be awarded to each human/cat adventure team who visits at least 6 different location categories.

Participants will log their visits via a Google Form that will be posted in the community.

Categories of Places to Look For:

- Pet Stores
- Restaurants (usually patios)
- Hardware stores
- Garden centers/nurseries
- +8 more, AND a special bonus category

Wednesday, February 2 at 8pm EST - Group orientation, explanation of the February challenge, and discussion about visiting different places (the whats and hows). This will be a Zoom chat, so everyone has the option to be on video and chat if you'd like to!
